### **Policy AD: Philosophy of the School District**

The Sullivan School District SAU #96 began operation on July 1, 2013. Residents of Sullivan created an independent school district, allowing for more local decision-making and oversight. The Sullivan School Board does not operate any schools and is recognized as a sending district.

It is the duty of the Sullivan School Board to provide, at district expense, elementary and secondary education to all students who reside in the district in compliance with RSA 189:1-a and when applicable, RSA 186-C. The mission of the Sullivan School District is to provide our resident students with access to a high-quality educational program that promotes achievement and prepares our students to be contributing members of our society. The objective of the Sullivan School Board is to provide sufficient financial resources to facilitate resident student attendance to the receiving school districts as authorized by the school board. This mission will be monitored on an ongoing basis and at least every five years.

Resident students are eligible to attend Nelson Elementary School by tuition contract for kindergarten through grade five. As part of the Nelson school community, the Sullivan School Board acknowledges the policies and procedures adopted by the Nelson School Board. Sullivan families and students are advised to make themselves aware of, and are required to comply with, the rules and regulations of Nelson Elementary School and the policies and practices of the Nelson School District.

Resident students are eligible to attend Keene Middle School and Keene High School through an Authorized Regional Enrollment Area (AREA) agreement for grades six through grade twelve. As part of the Keene school community, the Sullivan School Board acknowledges the policies and procedures adopted by the Keene School Board. Sullivan families and students are advised to make themselves aware of, and are required to comply with, the rules and regulations of Keene Middle School and Keene High Schools and the policies and practices of the Keene School District.

In addition, RSA 194-b allows resident students to apply for enrollment in chartered public schools. Sullivan families and students who elect to attend chartered public schools are advised to make themselves aware of and comply with the rules and regulations and policies and practices of the public charter school of attendance.

New Hampshire Code of Administrative Regulation Ed. 306.05 directs school districts to adopt a written philosophy and a statement of goals and objectives consistent with the rules of the state board of education.
