BUILDING PERMIT APPLICATION and CHECKLIST

TOWN OF SULLIVAN

BUILDING PERMIT

The Building Permit process consists of three parts; all three must be filled out as appropriate to the specific build requested.

PART 1: Application

PART 2: Checklist (required)

There is a section to be answered for your specific build and a section for “all buildings.”

Specific builds are defined by the ***Community Planning Ordinance*** as:

Accessory Building: Any building which is subordinate to the principle use of the property and which is habitually or customarily associated with or related to the principle use.

Accessory Dwelling Unit (ADU): A residential living unit that is within or attached to, or detached from, a single-family dwelling that is the principal dwelling unit, and that provides independent living facilities for one or more persons, including provisions for sleeping, eating, cooking, and sanitation on the same parcel of land as the principal dwelling unit it accompanies. This may also be referred to as an accessory apartment, camp, cabin, in-law apartment, bunkhouse, apartment, cottage, caretaker’s apartment or other similar name.

Building: Any structure having a roof or intended for shelter, housing, or enclosure of persons, animals, or materials, equipment, etc. This will include towers, pools, and parking lots.

Dwelling Unit:. A building or part thereof designed for residential occupancy providing complete independent living facilities for one or more persons that includes permanent provisions for living, sleeping, eating, cooking and sanitation and occupying an area of 400 square feet or greater. A principal dwelling unit is an allowed residential structure to which an accessory building or accessory dwelling unit is subordinate. Each dwelling unit shall contain at least one flush-type toilet, properly ventilated and constructed, and connected to a State-approved septic system for the flushing of the sewage to a septic tank with adequate leaching area or bed, or State-approved alternative waste disposal system.

PART 3: Occupancy/Use Permit to be issued by the Selectmen at completion of build.

You have two options after filling out the form.

- 1. Save the form to your computer and email it to the Sullivan Town Office. To save the form to your computer go to the File menu in your browser and choose "Save As".**
- 2. Print the form, by clicking the button below, and mail or bring it in to the Sullivan Town Office.**

After doing either of the above be sure to reset the form for the next user. Otherwise your personal data will remain in the form.

Description of Work

1. Indicate dimensions and whether the building is to be a single family, duplex, multi family, accessory dwelling, accessory building (i.e., garage, storage, etc.), or for business purposes*.

2. It is proposed to construct or place this building or manufactured housing on the lot as follows:

3. Provide a map, of the structure's location on the property, indicating the general contours of the land and the location of any wetlands, setbacks from abutters and rights of way. This may be hand drawn or on a survey.

4. Provide a list of abutters names, addresses and map/lot numbers.

References on the map/plan should be made so as to support answers to questions contained in the Building Permit Checklist (distances, abutters, locations of wells, septic, etc.)

Note: Any portion of land classified as "current use" is not eligible for that classification once the land is altered (i.e. erecting, a building, constructing a driveway). A minimum of 10 acres is required for current useclassification. Should the lot not meet minimum requirements after construction the entire parcel will be removed from current use classification. Any portion of land removed from current use classification is subject to a penalty equal to 10% of the full and true value of the land.

***The site and building will be in accordance with a site plan, where applicable. The site plan and any other information or documents which may be required shall be included with the application for a building permit.**

7/15/25: A fee of \$0.25/sq. ft. is charged for all builds requiring a Building Permit. This fee is payable on permit approval.

I hereby certify that as the applicant for the permit, I am the owner of this property or the owner's authorized agent (check one). I hereby declare that the statements and information contained in this application and submitted in conjunction with said application are true and accurate to the best of my knowledge. I understand that I am responsible to ensure that all construction or other work will be completed in accord with all Federal, State, and Local laws, codes, and ordinances. I further certify that I am aware of and will comply with any deed restriction or covenants. I hereby grant permission to the Board of Selectmen or their agent to enter onto the property for the purpose of gathering information on which to make a decision on this application and, if approved, to verify compliance with this application .
