

**SULLIVAN CONSERVATION COMMISSION**  
**Sullivan Town Hall – Outdoors**  
**April 14, 2021**

**Present:** Wendy Byrn, Wendy Pelletier, Roger Sweet, Eric White, Chip Woodbury and Becky Cummings.

The minutes of the September 2020 meeting were accepted as read. This is the first meeting since then, due to Covid-19.

Roadside Clean-up Day, May 1, was discussed briefly. Roger once again agreed to be at the town hall at 9am to hand out bags and keeps track of roads covered. He gave a carton of the blue bags to Becky and she will leave some at the town hall, library and town barn in case people want to clean earlier.

Eric noticed that there were ATV tire marks on Dick Smith's property on Boulder Rd. and he found a tent pole as well. Perhaps they belong to grandchildren of Smith. Becky may have the daughter's email address and will look.

Eric also noted that Dan Osborn is now land steward for the Piper Lot.

Chip mentioned the town forest does not allow ATV's but the boundaries are not well marked. This could be a future project for the group.

Work day in Jewett Part – spread wood chips, build kiosk & bench to put under one of the canopies, remove leaning trees (perhaps need a professional), thin out and clean brush. A date was set for Saturday, May 22. Wendy will write up an article for the newsletter.

Three driveway permit applications were checked: Scott Wood (Cross Rd.), John Bolles (South Rd.) and 841 Centre St. LLC.

As the evening wore on, the temperature dropped. Motion to adjourn the meeting by Becky at 7:22pm. Seconded by Wendy B. – all in favor and meeting adjourned.

Respectfully Submitted,  
Becky Cummings
