

SULLIVAN CONSERVATION COMMISSION
Sullivan Town Hall
April 24, 2024

Present: Wendy Byrn, Laurie Goldsmith, Wendy Pelletier, Chip Woodbury and Becky Cummings.

The minutes of the two February meetings were approved as read. No formal meeting was held in March as there was not a quorum.

Wendy P. has joined the planning board and is stepping down from conservation. The committee now will need one new full member and two alternates. The openings will be posted on the town website as well as the Sullivan Community Facebook page.

The trail to Meetinghouse Rock was briefly discussed. Chip will check it out to see how much work it will need this spring.

Roadside Cleanup Day, May 4 – Chip will be at the town hall to hand out the blue bags and assign roads that morning. Laurie will make chili; Wendy B. – cookies; Wendy P. – pasta salad; Kathy W. – brownies and Becky - fruit salad and will shop. At noon workers will meet in the church hall for lunch and music by Chip Woodbury.

Meeting adjourned at 7:03 pm.

Respectfully Submitted,
Becky Cummings, Clerk
