

## SULLIVAN CONSERVATION COMMISSION

Sullivan Town Hall

Feb. 28, 2024

**Present:** Wendy Byrn, Laurie Goldsmith, Wendy Pelletier, Chip Woodbury and Becky Cummings.

At this time there were no minutes to approve because Becky had computer problems.

Brad Smith has applied to the Forest Society to be land steward for the Piper Lot & Olsen Forest. He hopes to take the NH Coverts class with UNH Extension and Fish & Game.

Roadside Clean-up on May 4. Chip mentioned that in the past the mornings have been very chilly and windy, when the blue bags are being given out on the town hall porch. Could that possibly be moved into the church? Becky said it could easily be moved into the Town Hall, rather than outside. Members present agreed this is a good idea since people are used to picking the bags up there. Chip has also simplified the volunteer liability form somewhat.

It seems that term lengths have gotten confused in the past few years. To get them in order:

Wendy P. 2024

Becky 2025

Wendy B. 2026

Chip 2024

Laurie 2026

Meeting adjourned 7pm.

Respectfully Submitted,  
Becky Cummings
