

SULLIVAN CONSERVATION COMMISSION
July 8, 2020
Sullivan Town Hall

Present: Jim McByrne, Wendy Pelletier and Becky Cummings.

The minutes of the last meeting (February 2020) were read. Those present had no corrections, but there was not a quorum, so the minutes were not formally approved. Because of the virus, this is the first meeting of Conservation since February.

Intents to Cut filed since the Commission's last meeting include:

Jason Ferland 619 Centre St. 4 acres cut by Mark Smith

Rick Hotchkiss 24 White Brook Dr. 75 acres cut by David Clements

James Whitney off Centre St. 200 acres cut by Dalton Mountain

Wendy read a note from the Ashuelot River Advisory Board stating they had not been able to do the May sampling because of the virus. Discussion followed on whether they had been paid (\$125) for this year. Becky will follow up.

The Commission received a "Best Wetland Practices" booklet. Wendy is reading it – if anyone would like to borrow it, please let her know.

A short discussion followed on the possibility of a fall roadside clean-up as well as a proposed walk/hike & historical talk with Chris Pratt to Table Rock and the stone chamber. Decisions on both will be made at the August meeting.

Enjoyable conversation followed. Meeting adjourned at 7:20pm.

Respectfully Submitted,
Becky Cummings
