

SULLIVAN CONSERVATION COMMISSION
Sullivan Town Hall
March 23, 2022

Present: Wendy Byrn, Wendy Pelletier, Roger Sweet, Chip Woodbury and Becky Cummings.

Chip moved to have the minutes of the January meeting approved as written; Becky seconded. All in favor. There was no February meeting.

May 7 – Roadside clean-up. Becky will make flyers to put around and Roger will check to see if he has enough bags.

Earth Day Poster Contest – Wendy B. brought in two posters and another has been dropped off at the library, too. A discussion followed about sending flyers to Sullivan households to encourage participation. It was agreed to go ahead with them. Wendy B. will put together a draft of a poster, send it to Wendy P. & Becky who will put it together with the Clean-up Day information and get it sent out. Risa Keene offered to purchase some packets of seeds to give out to the poster contest entrants. Everyone agreed this is a good choice rather than tree seedlings. Wendy B. will purchase some seeds, too. Posters will be displayed at the library, town hall and the church hall for clean-up day lunch.

Wendy P. said Marsha asked for the commission's thoughts about Cannon Road being changed from discontinued to Class VI. A person who has purchased or is in the process of purchasing a tract of land-locked property off Centre St. has inquired about this, perhaps for a house site. The commission would like to know what the distance of the proposed change would be. Would it dead-end at the house site? All agreed more information is needed.

Meeting adjourned at 7:29pm.

Respectfully Submitted,

Becky Cummings
