

SULLIVAN CONSERVATION COMMISSION
Sullivan Town Hall
Oct. 26, 2023

Present: Wendy Byrn, Wendy Pelletier, Roger Sweet, Chip Woodbury and Becky Cummings.

The meeting was called to order at 6:44PM. Minutes of the September meeting were approved as corrected.

The Button Up Program on Oct. 6 in Sullivan was attended by 9 in person and 8 watched & listened via Zoom. Roger said he had a hard time hearing the on-line presentation. Keene is planning to have a presentation on Dec. 7 at the rec center. We should promote that to Sullivan people who couldn't attend the Oct. program in town. Wendy P. suggested we might think about sponsoring another one in the spring.

The hike/walk in Piper Memorial Forest on Oct. 17 brought out quite few people (about 17). Chris Pratt provided interesting historical background of the area and as the walk proceeded, a few folks came upon some patches of edible mushrooms, much to their delight.

A brief discussion followed on Community Power. Is this something smaller communities are doing on their own or are they joining together with other towns? Does Sullivan want to look into it?

Meeting adjourned at 7:23pm.

Respectfully Submitted,
Becky Cummings
